Dear Ben:

It has been a number of years since I have started using your services and referring you to all my clients. Truthfully, before I turned to you I had used a number of other companies for my security and locksmith needs. Never was I wholly satisfied with the service, price, or communication from these others. I'm not even sure how I was introduced to you and your company but I am grateful that we did meet.

In the dozen or so emergencies or near emergencies that you have serviced I couldn't have been any more pleased with the timely outcome of your work. Whether it was installing locks on new house for my clients or me locking myself out of my listing you and your staff have always delivered safely and piece of mind with professionalism and full integrity.

I look forward to working with you in the future and please feel free to reach me at 773.251.6860

Respectfully,
