**The Epiphany Project
1800 W Winona # 450
Chicago, Ill 60640**

To Whom It may Concern:

I hired Eric & Ben from Mega Locksmith & Security to install new locks on a 50,000 square foot commercial complex. They came out on time & completed the project in timely & professional manner. In addition, they made some excellent recommendations that I accepted.

As a former general contractor I greatly appreciate their hard work , honestly & professionalism. I recommend their firm's services to anyone!

Sincerely

Paul Baraz

A handwritten signature in black ink that reads "Paul Baraz". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
